Theo and Staff,

Thank you very much for your excellent service. For more than 2 years we have received regular maintenance and non-routine repairs on our company's vehicles. We are very pleased with the quality of service, your prompt action and it's all done with a customer-friendly attitude.

Recently, we were told by the dealer to replace some parts that would cost us \$1,212.94. We then turned to you for advice and you resolved our problems with a drive-out price of just \$238.00! We can't thank you enough.

We recommend Theo's Automotive to others because of our satisfaction with your service. We look forward to doing business with you for years to come.

Thank you,

Rika Tanaka
